Importance of Etiquette

لَا تَجْعَلُوا دُعَاءَ الرَّسُولِ بَيْنَكُمْ كَدُعَاءِ بَعْضِكُمْ بَعْضًا ۚ قَدْ يَعْلَمُ اللَّهُ الَّذِينَ يَتَسَلَّلُونَ مِنْكُمْ لِوَاذَاءٍ فَلْيَحْذَرِ الَّذِينَ يُخَالِفُونَ عَنْ أَمْرِهِ أَنْ تُصِيبَهُمْ فِتْنَةٌ أَوْ يُصِيبَهُمْ عَذَابٌ أَلِيمٌ

Translation: Treat not the calling of the Messenger among you like the calling of one of you to another. Allah does know those of you who steal away covertly. So let those who go against His command beware lest a trial afflict them or a grievous punishment overtake them. (24[Al-Nur]: 64)

يَا أَيُّهَا الَّذِينَ آمَنُوا إِذَا قِيلَ لَكُمْ تَفَسَّحُوا فِي الْمَجَالِسِ فَافْسَحُوا يَفْسَحِ اللَّهُ لَكُمْ ۚ وَإِذَا قِيلَ انشُرُوا فَانشُرُوا يَرْفَعِ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَالَّذِينَ أُوتُوا الْعِلْمَ دَرَجَاتٍ ۚ وَاللَّهُ بِمَا تَعْمَلُونَ خَبِيرٌ ۚ يَا أَيُّهَا الَّذِينَ آمَنُوا إِذَا نَاجَيْتُمُ الرَّسُولَ فَقَدِّمُوا بَيْنَ يَدَيْ نَجْوَاكُمْ صَدَقَةٌ ۚ ذَٰلِكُمْ خَيْرٌ لَّكُمْ وَأَظْهَرٌ ۚ فَإِنْ لَمْ تَجِدُوا فَإِنَّ اللَّهَ غَفُورٌ رَحِيمٌ

Translation: O ye who believe! when it is said to you, 'Make room!' in your assemblies, then do make room; Allah will make ample room for you. And when it is said, 'Rise up!' then rise up; Allah will raise those who believe from among you, and those to whom knowledge is given, to degrees of rank. And Allah is Well-Aware of what you do. O ye who believe! when you consult the Messenger in private, give alms before your consultation. That is better for you and purer. But if you find not anything to give, then Allah is Most Forgiving, Merciful. (58[Al-Mujādilah]: 12-13) [English translation of the Holy Qur'an by Hazrat Maulawi Sher Ali]

Guidance from the Holy Prophet, peace and blessings of Allah be upon him

Social Etiquette

عَنِ السَّائِبِ بْنِ يَزِيدَ، قَالَ لَمَّا قَدِمَ النَّبِيُّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ الْمَدِينَةَ مِنْ عَزْرَةَ تَبُوكَ تَلَفَّاهُ النَّاسُ فَلَقِبْتُهُ مَعَ الصَّبْيَانِ عَلَى ثِيَابِ الْوَدَاعِ

Säib ibn Yazid relates: When the Holy Prophet, may peace and blessings of Allah be upon him, returned from the battle of Tabook, people went out from Medina to meet him and I also met him with other boys at Tahniyat-il-Wada'. (Sunan Abi Dawūd 2779, Book 15, Hadith 303)

عَنْ أَبِي هُرَيْرَةَ، قَالَ قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ: " إِنَّ مِنْ السُّنَّةِ أَنْ يَخْرُجَ الرَّجُلُ مَعَ ضَيْفِهِ إِلَى بَابِ الدَّارِ "

Abu Hurairah related that the Holy Prophet said: It is Sunnah for a man to go out with his guest to the door of the house. (Mishkat al-Masabeeh 4258, Book 21, Hadith 95)

عَنِ ابْنِ عُمَرَ، قَالَ قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ: " إِذَا أَتَاكُمْ كَرِيمٌ قَوْمٍ فَأَكْرِمُوهُ "

Abdullah ibn Umar relates that the Holy Prophet said: When a leader of some nation or an honorable person comes to you (in accordance with his status), respect him. (Sunan Ibn Mājah 3712, Book 33, Hadith 56)

In the words of the Promised Messiah, Peace be on him

Promise of Second Manifestation

Hazrat Mirza Masroor Ahmad, Khalifatul-Masih V, may Allah be his helper

So dear friends! Since it is the Divine Trait, from time immemorial, that God Almighty shows two Manifestations so that the two false joys of the opponents be put to an end, it is not possible now that God should relinquish His Trait of old. ... It is essential for you to witness the second Manifestation also, and its coming is better for you because it is everlasting, the continuity of which will not end till the Day of Judgement.

And that second Manifestation cannot come unless I depart. But when I depart, God will send that second Manifestation for you which shall always stay with you just as promised by God in Barahīn-e-Aḥmadiyya. And this promise is not for my person. Rather the promise is with reference to you, as God [addressing me] says: I shall make this Jamā'at who are your followers, prevail over others till the Day of Judgment. Thus, it is inevitable that you see the

day of my departure, so that after that day the day comes which is the day of ever-lasting promise.

Our God is He Who keeps His promise and is Faithful and is the Truthful God. He shall show you all that He has promised. Though these days are the last days of this world and there are many a disaster waiting to happen, yet it is necessary that this world continues to exist until all those things about which God has prophesied come to pass. I came from God as a Manifestation of Divine Providence and I am a personification of His Power. And after I am gone there will be some other persons who will be the manifestation of the second Power [of God]. So, while waiting for the second Manifestation of His Power, you all together keep yourselves busy praying. And let a Jama'at of righteous people, one and all, in every country keep themselves busy in prayers so that the second Manifestation may descend from the Heaven and show you that your God is such Mighty God. Consider your death to be close at hand for you never know when that hour will strike.

Let the righteous persons of the Jama'at who have pure souls accept Bai'at in my name. God Almighty desires to draw all those who live in various habitations of the world, be it Europe or Asia, and who have virtuous nature, to the Unity of God and unite His servants under one Faith. This indeed is the purpose of God for which I have been sent to the world. You, too, therefore, pursue this end, but with kindness, moral probity and fervent prayers. And till that time when someone inspired by God with the Holy Spirit is raised by Him, all of you work in harmony with one another.

And you, too, partake of the Holy Spirit by compassion and by purifying your souls. Because without the Holy Spirit true Taqwa cannot be attained. And, totally shedding all base desires of the self, choose for the sake of winning the pleasure of God that path compared to which no path can be narrower and straiter. Don't fall in love with the pleasures of the world, for they take you away from God. Choose a life of austerity for the sake of God. (English rendering of Al-Waṣiyyat by Hazrat Mirza Ghulam Ahmad, The Promised Messiah and Mahdi, pp. 7-9, Islam International Publications)

ⁱ Such persons will be selected by consensus of the believers. Hence if forty believers agree that a person is competent to accept Bai'at in my name, he will be entitled to accept Bai'at. And such a person ought to make himself an example for others. God has informed me: "I shall raise for thy Jamā'at one from thy progeny and shall honor him with My revelation and nearness. Truth will flourish through him and a large number of people accept him." So, wait for those days. And you should remember that one is recognized only when one's time comes. And it is possible that before such a time one may appear to be an ordinary person; or because of some deceptive thoughts, one may even be regarded as objectionable; just as one who is destined to be perfect, is at one time, only a drop of semen or clot of blood in the womb. Notes on chapters and verses of the Holy Qur'ān by Hazrat Khalifatul-Masih IV^{rh}

— Surah Al-Anbiya to Surah Al-Hajj —

English Translation by Missionary Shahid Ahmad of Ghana

(Continued from previous issues)

21. Al-Anbiya: Introduction

This is a Meccan Surah, and its revelation period is the fourth or fifth year of the Call. Including Basmallah, it consists of one hundred and thirteen verses.

About the reckoning of people mentioned at the end of the preceding Surah and that it would become manifest to you that it is you who are on the right path; in the beginning of the current Surah, it has been stated that time of reckoning has arrived, but most people are unmindful of it.

Next, it was stated in this Surah that We sent none as Messengers before you but men, and they were not given bodies that lived without food. Here implicatively the Divinity of Hazrat Jesus^{as} has been refuted, as he had been taking food throughout the life.

Immediately after this was stated that ignorant people have taken gods from the earth; and presented a wonderful argument on this that the existence of two Gods is impossible. Had it been possible both the heavens and earth would have gone to ruin? Every God would have taken his creation and set aside; and the universe would have been hampered and ruined to such an extent that it could never have been repaired. Whereas look wherever one may they will not find any sign of disunion in it. That is why it was said that We have been sending revelation that “There is none worthy of worship except the One God” to all those Prophets as well that were sent before this one.

Verse number 27 mentions their false claim that Allah the Almighty has taken a son. But whenever a hypothetical son is deified, it fails to stop there and many more are added to this hypothesis. Therefore, immediately thereafter it was said that there are many more holy men of God like Hazrat Jesus^{as} who have been associated as partners of Allah.

Immediately thereafter is mentioned a verse which unveils such secrets of the universe which were beyond the imagination of man of that age. It said: the entire universe was a tightly closed-up mass like a ball out of which nothing could come out. Then We opened it out and the entire universe popped up, and with water every living thing was created. And immediately after water, the cycle of water associated with firm mountains was mentioned. It was also mentioned as to how the heavens protect the earth and its inhabitants; next was mentioned the perpetual circulation of the heavens and earth and all heavenly bodies; and as the heavens and earth are not ever-lasting, it was pointed out that man, too, is not going to live forever. And, O Prophet! None of the people that lived before you has lived eternally.

Thereafter are mentioned all the Prophets that came before the Holy Prophet^{sa} that how Allah the Almighty delivered munificence of His Graciousness to them. It also discussed the inviolable subject that once the dwellers of a town are destroyed, they never come back to it again; so much so that even in the time of Gog and Magog, when seemingly the scientists will claim to revive the dead, it would not be possible.

Further, ahead in the Surah, the mention of the rolling up of the heavens is found, and also said that it would not be done for eternal, rather from the very universe, which would once go into non-existence, a new universe would be created. Allah the Almighty has the power to repeat this process.

In the last Ruku' of the Surah; Allah the Almighty, declared the Holy Prophet^{sa} a manifestation of the Gracious God for the entire world, and stated that We have sent you, too, as a mercy for the whole world.

In the final verse of the Surah, the Holy Prophet^{sa} prays to his Lord to judge between him and the disbelievers with the truth. As he is the representative of the Gracious, he warns the entire world that the Gracious God will not abandon this servant of His who is a manifestation of His Graciousness for the whole world.

Next comes Surah Al-Hajj which is a perfect proof of the fact that the Holy Prophet^{sa} was sent for the entire world as Rahmat ul-Lil-'Ālamīn. And Baitullah (the House of Allah) is the only place where mankind assembles from all around the world to perform the Hajj.

Notes: Al-Anbiya'

Verse 9

وَمَا جَعَلْنَاهُمْ جَسَدًا لَا يَأْكُلُونَ الطَّعَامَ وَمَا كَانُوا خَالِدِينَ

This verse makes it clear that not a single Prophet has been in the world who lived without taking food. Thus, any Prophet who had been taking food has not enjoyed an unnatural long life.

Verse 35

وَمَا جَعَلْنَا لِبَشَرٍ مِنْ قَبْلِكَ الْخُلْدَ أَفَإِنْ مِتَّ فَهُمُ الْخَالِدُونَ

Addressing the Holy Prophet^{sa}, it states that no Prophet before you have been granted an unnatural long life. How is it possible that you should die whereas others live an unnatural long life? This verse conclusively proves the death of Hazrat Jesus^{as} as well.

Verse 64

قَالَ بَلْ فَعَلَهُ كَبِيرُهُمْ هَذَا فَاسْأَلُوهُمْ إِنْ كَانُوا يَنْطِقُونَ

It is suggested to give a pause after *بَلْ فَعَلَهُ* (*bal fa'alahu*) in this verse, so as to be concluded that someone else did it. But in my point of view there is absolutely no such need for this; because Hazrat Abraham^{as} himself had informed them that he was going to do something to their deities. So, this is not a lie. Rather, to present something impossible as possible is a style of argument, which was granted particularly to Hazrat Abraham^{as}. Not a single one among his opponents conceded that the bigger idol killed all the other ones. And to take it as an impossibility proves the falsity of their belief that their deities have some power.

Verse 70

قُلْنَا يَا نَارُ كُونِي بَرْدًا وَسَلَامًا عَلَىٰ إِبْرَاهِيمَ

Here “fire” signifies the fire of opposition, and it may also stand for real fire. In the present age the Promised Messiah (may peace be on him) received a revelation “Do not threaten me with fire, for the fire is my servant, rather servant of my servants” (*Arba'in Number 3, Rūḥānī*

Khazā'in, Vol. 17, p. 429). Getting cooled down of the fire means that its heat will not be enabled to destroy, rather the fire itself will cool down.

Verse 80

فَقَهَّمَهَاهَا سُلَيْمَانَ وَكَلًّا آتَيْنَا حُكْمًا وَعِلْمًا وَسَخَرْنَا مَعَ
دَاوُودَ الْجِبَالَ يُسَبِّحْنَ وَالطَّيْرَ وَكُنَّا فَاعِلِينَ

Here the subjection of the mountains means that mountainous people were subjected to him. Similarly, the mention of the army of birds is found in the army of Hazrat Solomon^{as}. This too is a metaphor. It has two meanings. (1) Those people who were spiritually enabled to soar away; (2) and the swift cavalryman who, like birds, quickly reached from one place to the other. And the fastest cavalry in the army of Hazrat Solomon^{as} has been termed as the army of birds.

Verse 82

وَلَسَلِيمَانَ الرِّيحَ عَاصِفَةً تَجْرِي بِأَمْرِهِ إِلَى الْأَرْضِ الَّتِي
بَارَكْنَا فِيهَا وَكُنَّا بِكُلِّ شَيْءٍ عَالِمِينَ

The subjection of winds to Hazrat Solomon^{as} means that in the coastal area of Palestine the winds would change their direction after a month and thus the ships of Hazrat Solomon^{as} sailed because of those winds. And after a month the winds would change their direction to the opposite side.

Verse 83

وَمِنَ الشَّيَاطِينِ مَنْ يَغُوصُونَ لَهُ وَيَعْمَلُونَ عَمَلًا دُونَ ذَلِكَ
وَكُنَّا لَهُمْ حَافِظِينَ

Here the word شَيَاطِينِ (*Shaya teen*) does not signify the Satans made of fire; otherwise, this fire would have died down because of diving into the seas. It signifies rebellious people who were subjected by Hazrat Solomon^{as}; some of

them were divers.

Verse 88

وَدَا النُّونَ إِذْ ذَهَبَ مُغَاضِبًا فَظَنَّ أَنْ لَنْ نَقْدِرَ عَلَيْهِ فَنَادَى
فِي الظُّلُمَاتِ أَنْ لَا إِلَهَ إِلَّا أَنْتَ سُبْحَانَكَ إِنِّي كُنْتُ مِنَ
الظَّالِمِينَ

When Hazrat Jonah^{as} saw that his warning prophecy was not fulfilled, and because he was unaware that the warning prophecies are put in abeyance after crying and wailing, in anger he headed towards the sea, where a whale initially devoured him and later vomited him out alive. In this time of darkness, he supplicated the following prayer from the heart that O Lord! There is no God but Thou, Holy are Thou. I have indeed been of the wrongdoers.

Verses 96-97

وَحَرَامٌ عَلَى قَرْيَةٍ أَهْلَكْنَاهَا أَنَّهُمْ لَا يَرْجِعُونَ
حَتَّىٰ إِذَا فُتِحَتْ يَأْجُوجُ وَمَأْجُوجُ وَهُمْ مِنْ كُلِّ حَدَبٍ
يَنْسِلُونَ

In these verses township stands for the people of the township. Once a people are destroyed, they do not return back to the world. The word حَتَّىٰ (even when) does not signify that the dead peoples will come back in the time of Gog and Magog. Rather it means that even in the time of Gog and Magog the dead will not be able to come back. Superficially they play tricks as if they have quickened the dead, but they can never quicken the real dead.

Verse 106

وَلَقَدْ كَتَبْنَا فِي الزَّبُورِ مِنْ بَعْدِ الذِّكْرِ أَنَّ الْأَرْضَ يَرِثُهَا عِبَادِيَ
الصَّالِحُونَ

It is a reference to the prophecy of Hazrat David^{as} mentioned in Psalms chapter 37.

22. Al-Hajj: Introduction

This is a Medinite Surah, and including *Basmallah* it consists of seventy-nine verses. All human beings have been warned of the earthquake of the Hour in the first verse of the Surah; because the Messenger that came had invited all human beings to come under the protection of the Gracious God. As a result of the rejection of the invitation the warning of such terrible wars is being given as if the entire earth would be destroyed. It would be such a terrible destruction that the mothers would forget to take care of their suckling's; and every pregnant woman would miscarry; and you shall see men as they were drunken, while they will not be drunken. Because of the severe chastisement from Allah, they would lose their senses.

One may think of the Judgment Day as to how will all human beings be revived once they are all dead. It is said that Allah Who created you from dust earlier, and passed you through various stages in the womb of your mother, shall revive you.

Next, it is said that there are those among people who worship Allah as if they are on the verge of a pit. As long as good befalls them they are content with it; and when there befalls them a trial, they fall into it upside down. Such people are in loss in this world as well as Hereafter.

Next, briefly are discussed the followers of all the religions that Allah would judge between them on the Day of Resurrection.

Next, Allah the Almighty commands emphatically not to hinder those from the Sacred Mosque who come for the Hajj

(pilgrimage) of the House of Allah. Immediately thereafter is mentioned the House of Allah and the directive given to Hazrat Abraham^{as} to always keep the House of Allah clean for those who perform the Hajj and circuits. The directive given to Hazrat Abraham^{as} was not confined to his person only; but this directive is for his followers as well as the followers of the Holy Prophet^{sa} until the Day of Judgment.

Next, the Holy Prophet^{sa} has been commanded to give an open invitation to all mankind to come to the Sacred Mosque for Hajj. Next was discussed the sacrifices etc. that they, too, like the Sacred House, are included in the sacred Signs of Allah. Desecration of those signs would be tantamount to desecrating the Sacred House. But the animals sacrificed for the sake of the Sacred House would be acceptable only when they are offered with righteousness. Because their flesh reaches not Allah the Almighty, nor does their blood; but only the righteousness of the person offering the sacrifice reaches Allah.

Next, in detail light has been shed on the subject of Jihad with sword. And it was said that permission to take up arms in defense is given to those against whom war is made by their opponents, and they have been driven out from their houses only because they said, "Our Lord is Allah." The wonderful subject was also raised that if defensive measures had not been allowed then there was no guarantee of the security of the mosques of Muslims only, rather the synagogues and churches etc. and cloisters would also be destroyed.

Next, referring to the destruction of the disbelieving peoples of the past Prophets it was pointed out that if man is to visit the land and with open eyes try to find out the buried traces of the destroyed people, surely, he would get awareness of the evil end of those peoples. These days the archaeologists are working on it and they have succeeded in discovering buried traces of a number of past peoples.

Thereafter, it was said in verse 53 that in case any desire of heart is combined with the desires of a Prophet then Allah the Almighty removes that desire through the Divine revelation. The Satan referred to at this point does not stand for the accursed Satan, but it refers to the Satan running with the flow of blood in man. And the Holy Prophet^{sa} said: *Wa lakinn Allah A'anani alaihi fa aslama* (*Musnad Ahmad bin Hanbal, Musnad Bani Hashim*), that Allah the Almighty helped me against him and he has become a Muslim. Thus, this verse in no way means that in reality a Satan inspires the hearts of Prophets; because, at another place (As-Shu'ara 222-223) it has very clearly been explained that the Satan is not allowed to come closer to the Prophets. It descends on very lying sinners. And this statement does in no way apply to the Prophets.

In the last *Ruku'* of the Surah it was stated that those so-called Partners on whom they call upon beside of Allah are not capable to recover anything from the mouth of a fly if it licks anything. In reality the moment anything enters the mouth of a fly, as a result of its saliva and chemical changes in its belly, it does not remain in its original state anymore.

Striving in the cause of Allah has been admonished in the final verse of the Surah, which has already been explained. It was also stated that Hazrat Abraham^{as}, the Holy Prophet^{sa} and their followers have been named Muslims by Allah. He knows the best as to who completely submits before Him.

Finally, the announcement has been repeated that this Messenger i.e., Muhammad^{sa} is a universal Messenger.

Notes: Al-Hajj

Verse 6

يَا أَيُّهَا النَّاسُ إِنْ كُنْتُمْ فِي رَيْبٍ مِّنَ الْبَعْثِ فَإِنَّا خَلَقْنَاكُمْ مِّنْ تُرَابٍ ثُمَّ مِنْ نُطْفَةٍ ثُمَّ مِنْ عَلَقَةٍ ثُمَّ مِنْ مُّضْغَةٍ مُّخَلَّقَةٍ وَغَيْرِ مُّخَلَّقَةٍ لِّبَيِّنٍ لَّكُمْ وَنُقِرُّ فِي الْأَرْحَامِ مَا نَشَاءُ إِلَىٰ آجَلٍ مُّسَمًّى ثُمَّ نُخْرِجُكُمْ طِفْلًا ثُمَّ لِتَبْلُغُوا أَشُدَّكُمْ وَمِنْكُمْ مَّنْ يَتَوَقَّىٰ وَمِنْكُمْ مَّنْ يَرُدُّ إِلَىٰ أَرْذَلِ الْعُمُرِ لِكَيْلَا يَعْلَمَ مِنْ بَعْدِ عِلْمٍ شَيْئًا وَتَرَىٰ الْأَرْضَ هَامِدَةً فَإِذَا أَنْزَلْنَا عَلَيْهَا الْمَاءَ اهْتَزَّتْ وَرَبَتْ وَأَنْبَتَتْ مِنْ كُلِّ رَوْحٍ يَبْرِجُ

The foremost worth-mentioning point in this verse is that all the stages of human evolution have been discussed in it. So much so that the changes that take place in fetus in the belly of the mother have been related in the same order as the scientists have discovered in the present age. This verse is a conclusive proof of the fact that the Holy Prophet^{sa} had no personal knowledge of such things and none else save the Omniscient God could have provided this information to him. Further ahead the verse states that

Allah granted life to earth by showering water on dry soil. This is a wonderful and remarkable discovery that according to the scientists when water showers on dry soil, in reality the signs of life appear in it. In fact, here it refers to the point that the heavenly water that showered on the Holy Prophet^{sa} has revived a dead land, i.e., spiritually dead people.

Verse 76

اللَّهُ يَصْطَفِي مِنَ الْمَلَائِكَةِ رُسُلًا وَمِنَ النَّاسِ إِنَّ اللَّهَ سَمِيعٌ بَصِيرٌ

A Divine practice has been presented as a rule in this verse, whose cessation has not been mentioned at all. That is, Allah the Almighty always chooses His Messengers from among angels or from among men.

Verse 79

وَجَاهِدُوا فِي اللَّهِ حَقَّ جِهَادِهِ هُوَ اجْتَبَاكُمْ وَمَا جَعَلَ عَلَيْكُمْ

فِي الدِّينِ مِنْ حَرْجِ مِلَّةٍ أَبْيَكُمْ إِزْرَاهِيمَ هُوَ سَمَّاكُمْ
 الْمُسْلِمِينَ مِنْ قَبْلُ وَفِي هَذَا لِيَكُونَ الرَّسُولُ شَهِيدًا عَلَيْكُمْ
 وَتَكُونُوا شُهَدَاءَ عَلَى النَّاسِ فَأَقِيمُوا الصَّلَاةَ وَآتُوا الزَّكَاةَ
 وَاعْتَصِمُوا بِاللَّهِ هُوَ مَوْلَاكُمْ فَنِعْمَ الْمَوْلَى وَنِعْمَ النَّصِيرُ

The first point to reflect in the verse is that no one has proprietary rights over the word "Muslim." Allah the Almighty declared Hazrat Abraham^{as} and his followers as Muslims much before the advent of Islam.

Next, it is mentioned that the Holy Prophet^{sa} is a witness, i.e., a guardian, over all the Muslims; and the

Muslims are a witness over all the other peoples. The sense in which the Holy Prophet^{sa}, in his time, was a witness, exactly in the same sense, following in his footsteps, the Muslims are a witness over others. Being a witness does not signify to coerce others to become the type of Muslims one likes. Because being a witness as well the Holy Prophet^{sa} never fought a war of aggression, nor did he coerce anyone to become a Muslim.

Having no place to stay, I would routinely show up at the Mosque for the daily Fajr prayers at 4:30 am. Quite frequently, my knocking on the door would earn me the blessings of waking up the others for prayers, and on the occasions that no one answered the door, I would offer my prayers on the Mosque porch alone.

Have you read all the books of the Promised Messiah?

May peace be upon him

Promised Messiah and Imam Mahdi, Ḥaḍrat Mirza Ghulam Ahmad, may peace be upon him, says, “Our books are compiled after due research and after a full analysis of facts. They are designed to draw seekers after truth to the path of truth. They must reach people who happen to have been infected by hostile writings, some of them on the brink of spiritual ruin. Especially must those countries receive our books and receive them soon which happen to have been infected most dangerously by the poison of misguidance, so that all those interested in a search of truth have the books soon enough in their hands. This purpose cannot be served if we decide to push the publication and circulation of books only through sales. A business outlook in such a matter in any case seems unworthy and objectionable.” (Victory of Islam, Page 45, Published in 1891)
